

WHAT DID YOU DO

LAST WEEKEND?

Boy Scouts of America

**Venturing
Crew 80**

Venture Crew 80 is a group of young men and women, age 14 through 20, along with their adult leaders, who are interested in learning about all aspects of Emergency Service.

Some of What We Do:

- Red Cross Certification
- Amateur Radio Licensing
- Emergency Service
- Emergency First Response
- USMC Marathon Support
- George Washington Birthday Parade Support
- Jamboree on the Air
- Have Fun! ...and more!

Members learn and qualify for medical training at the Basic First Aid level up to First Responder certification.

Members also learn about communications, electronics, computers and the career possibilities associated with these topics, as well as participating in camping, high

adventure, disaster preparedness and community service in an enjoyable atmosphere of indoor and outdoor activities.

Using amateur radio for communications support, we provide informed medical staff and coordination services for large-scale events, such as Marathons, Holiday Parades, Wilderness events or natural disasters. Our Crew's amateur radio callsign is W3BSA.

Venturing Crew 80 encourages both youth and adults to participate in activities that require the assistance of Emergency Service and Communication organizations.

To find out more about Venturing, visit www.scouting.org/venturing on the web. To find out more about us, visit www.w3bsa.org, or contact Demi Pulas (703-820-2534, k4bsa@verizon.net) or Bill Stewart (703-642-8942, w2bsa@cox.net).
